

BIOCATIONIC® - 101

TECHNICAL INFORMATION

DESINFECTANT – WIDE SPECTRUM CATIONIC BIOCIDES

WHAT IS BIOCATIONIC - 101?

BIOCATIONIC – 101 is a self-activating germicide disinfectant specially formulated against pathogens. Eliminates odours, mould and dirt. Kills the majority of bacteria on application, and impedes the proliferation of the remainder for a further period.

Furthermore it leaves a film that hinders the creation of infectious foci and colonies.

USES AND USAGE METHODS

- Before applying the product, read the label carefully.
- Do not mix with any other chemical product.
- Apply in diluted form by hand, spray, soaking or wiping for the disinfection of areas, surfaces, utensils, etc.
