

# NEUTROBEL

## Technical Information

### WHAT IS NEUTROBEL?

Odor neutralizer, eliminates the bad smell of tobacco, sweat, shoes, clothes, kitchen, cold rooms, curtains, etc. Leaving a pleasant and fresh smell after application.

### DOSAGE AND METHOD OF USE

For floors and surfaces:

Mix 30-50 mL of this product with wash water, or spray surfaces with product and then rinse with water.

For the elimination of odors in the environment:

Spray the product as if it were an air freshener.

NOTE: Do not spray in the presence of food.

For odors in carpets and upholstery:

First test if it affects the color of the upholstery.

NEUTRALIZATION: Spray the product pure or diluted from 5 to 10% depending on the intensity of the odor to be eliminated.

CLEANING: Dilute this at 5-25% ratio together with the cleaning soap. It can be used by spraying on the fabric and subsequently rubbing or using injection-extraction machine.
